

Instructions from Frankfurt A.M. Airport to Brennhausen by Car

1. Take Autobahn (freeway) to Würzburg. Get on freeway right in front of airport heading east. (East is to your right if you are looking from the entrance of the airport out.) Once on the freeway follow signs to Würzburg. The signs appear right away.
2. Just as this freeway passes Würzburg, you come to an Autobahn Kreuz (freeway intersection). Take Autobahn 7 north toward Schweinfurt, Fulda, and Kassel.
3. Switch to autobahn 70 near Schweinfurt and proceed east. After passing Gochsheim, you will head down a hill. At the bottom of the hill there is a sign for Hofheim. Go right and then right again to go up to the bridge and over the Main river to Hofheim.
4. Stay on this road until the 2nd Exit for Hofheim. Proceed to Hofheim (1 minute) bending right before entering the center of town. Follow signs to Bad Königshofen.

5. Follow road to Sulzdorf a.d.L. When you arrive there, refer to detailed map and take "Brennhäuser Strasse". Right where this street begins is an abandoned factory. About half a kilometer on this street are some "A" frame cottages. The road narrows and there is restricted sign . Continue straight ahead past the sign on this narrow road through the fields and then forest between two and three kilometers until you see Brennhausen just after you leave the forest.
